Making a Claim

If there's a problem at your Property, and you need to make a Claim, please contact us as soon as possible.

You can Claim by telephone or if your Policy allows through your online account. The telephone number to Claim can be found on your Policy Schedule within the Policy documentation. Claims can be made by you or a person acting on your behalf. We won't be able to cover the cost of any work carried out by people not authorised by us.

We will ask a series of questions to help establish whether your problem is covered by your Policy. We may also offer to help you resolve minor problems yourself. If this isn't possible, a Claim will be registered and we will book one of our engineers to come and assess the problem, in line with your Policy Terms & Conditions. You cannot make a Claim under your Policy for any problem occurring, prior to the Policy start date, while Maintenance Work is required or during any relevant Exclusion Period as set out within your Policy Schedule.

Excess payments

If your Claim requires a Policy 'excess' to be paid, this will be detailed on your Policy Schedule. This will need to be paid each time you make a Claim. Payment will be taken before we send an engineer. We can only accept payment using; MasterCard, Visa or Visa Debit payment cards. The card holder needs to be present to authorise the card payment for an excess to be paid. The Policy then covers the remaining cost of the Claim up to the Claims limit.

If the Claim is cancelled before our engineer arrives, or if they don't start any work due to the problem not being covered, your excess payment(s) will be refunded and the Claim will be cancelled. However, if an Investigation is carried out and we find the problem is not covered by your Policy, your excess payment will not be refunded. Where you or our engineer identify additional work that is not linked to the original problem claimed for, you will need to raise an additional Claim and pay another excess.

General Conditions

Your Responsibility

Eligibility

This Policy is only suitable for those responsible for paying for Repairs to their Property. It must be your private residence, or you rent it out (with you being the landlord). You need to confirm if you wish to cover a house or flat and whether you are landlord of this Property when you apply. The Property must not be a mobile or park home, or a dedicated full time business premises such as: a hotel, multiple room B&B, factory, shop, office building or pub. This contract only applies to properties located within the United Kingdom comprising England, Wales, Scotland and Northern Ireland (excluding Isle of Man and the Channel Islands). Please check that you do not have cover elsewhere before taking out this Policy to avoid overlap with another provider. Where these terms and conditions include cover for a Boiler, a separate Policy or plan will be required for each Boiler. Please contact us to arrange this. Your Gas Supply Pipe must be 35mm in diameter or less and not made of steel.

Renewal

We will contact you before your Policy ends to arrange the renewal of your Policy and tell you your renewal Premium. Your Claims history will be considered when reviewing your renewal Premium. Adjustments may also be made to reflect the cost of providing the Policy and any change in the rate of tax applicable to it. We reserve the right to refuse renewal of any individual Policy and we will inform you before your Policy expires if we choose to do so. Please check your renewal documents to ensure that all your details are correct. If your Policy is set to automatically renew; your Policy will continue under your existing payment method and new Premium amount. Your cover will continue uninterrupted and you can continue to make a Claim. If your Policy does not automatically renew; we will ask you to contact us in order to continue with your Policy and

to provide your payment details. If you do not contact us your Policy will end and you will not be able to make a Claim. You can change if your Policy automatically renews or not at any time during the Policy term by calling us, writing to the Freepost address, through your online account or by visiting homeserve.co.uk/autorenewal

Changing your address

If you move home and need to update your address, use your online account, call us or write to us (see 'Contact Us' section). You are responsible for informing HomeServe of a change of your address so we can assess if your Policy can be transferred to your new home. If you have a Policy which includes cover for a Boiler, we will organise for a Boiler Health Check to take place at your new Property. Please see the 'Boiler Health Check' (BHC) section to understand what this means. If you have a Policy which covers more than the boiler, these other cover areas will continue uninterrupted.

Boiler Health Check (BHC)

A BHC must be booked or completed within the first 90 days of your Policy start date, or the date you change address. During the BHC our engineer will check that your Boiler and Heating System meets our eligibility criteria and is in a good working condition with no pre-existing faults.

If you need to make a Claim before we have checked your Boiler and system, we will complete the BHC and assess whether it is a pre-existing fault as part of the Claim.

If a pre-existing fault is found, we will tell you what needs to be done to fix it. This Repair is not covered by the Policy. The Boiler cover will be suspended whilst you make arrangements for the Repair to be completed and will be reinstated, when you can provide evidence (within 28 days) that the problem has been resolved.

If you do not book a BHC within 90 days of your Policy start date, do not complete Repairs we have told you about or if during the inspection your BHC fails (for example, the Boiler or a part of the system is in poor condition or ineligible for cover), the Boiler cover will be suspended from the Policy and the Premiums adjusted, or the Policy will be cancelled where this is more appropriate. This will be confirmed to you in writing. Where the policy continues, at the next renewal your offer will not include Boiler and/or Heating System cover and may have a different level of excess.

Missing payment

If you fail to make a payment of your Premium on the due date, your Policy will be suspended and you will not be able to make a Claim. We will notify you in writing within 5 working days of the date on which a payment was due. If you do not pay the requested amount within 30 days of the due date, your Policy will be cancelled. Please see 'How can you cancel' section for your liability to pay any Premium that you owe to us. If you want to make a Claim whilst your Policy is suspended, you will also need to pay any outstanding Premiums before we send out an engineer.

Promotional Offers

If you cancel a Policy and you (or any other individual living at the Property) then purchase a Policy with the same or similar features then you will not be eligible for any new customer promotional offers.

Overlapping cover

If you have more than one Policy with HomeServe, some parts of your cover may overlap. In the instances of overlapping cover, we will not issue a refund.

Our Visit

Your Appointment

We will attend your Claim within a reasonable timescale. If something beyond our control makes that impossible to keep to, we'll let you know as soon as possible and give you another time when we can visit. During the visit, if you are not there, please ensure there is an adult (over 18) present who can make decisions on, your behalf.

Our engineers

One of our engineers will normally carry out any work required at your Property. Sometimes, we may send a suitably qualified contractor instead.

Additional Claims

Repairing or replacing any number of part(s) for a single reported problem is considered as one Claim. If other faults exist or are found which are in a separate part of your system and are not related to the problem you reported an additional Claim will need to be made for this Repair to be completed.

Our guarantee

Under this Policy, the workmanship and any part(s) used by us to solve the problem will be guaranteed for a period of twelve months from the date the work is carried out.

Parking restrictions

When making a Claim, you will be asked if there are any parking restrictions including need for a parking ticket, a parking permit or inability to park within close proximity to your Property. Where no parking is available, this may affect your Claim being dealt with promptly.

Creating access

When our engineer arrives at your Property, they will locate the source of the problem. If direct access is not available, they will need to create access. If you want them to proceed on this basis you will need to confirm this while they're at your Property. Unless stated in the 'What is covered?' section, this Policy does not provide you with cover for any damage which may be caused to the Property, its contents, fixtures, fittings, floorings or sanitary ware (unless such damage is as a result of our engineer's negligence). If you don't want us to create access, we will be unable to progress your Claim until you have arranged for access to be made.

Replacement Parts

Where we replace parts, these will be HomeServe approved standard alternatives. They will not necessarily be identical, the same make and model or same type of fitting.

Cancellation and Complaints

How can you cancel

If you wish to cancel your Policy; you (as the named Policy holder) or an authorised representative, must contact us (see 'Contact Us' section). You may cancel your Policy at any time and choose an appropriate cancellation date. Depending on when you cancel and whether you have made a Claim, any refund of Premium paid to you or Premium owed by you may be calculated as follows:

Insurance Premium

Within your Cancellation Period:

- If you have made a Claim, you will receive a refund less an amount for the number of days you have been on cover
- If you have not made a Claim, you will receive a full refund

Outside your Cancellation Period:

- If you have made a Claim, you will not receive a refund and must pay all future insurance Premiums due for the remainder of the Policy term
- If you have not made a Claim and pay monthly or quarterly, upon cancellation, we will ask you to choose a cancellation date that matches the end of the period that you have paid up to. Where you have paid annually, you can choose the cancellation date and will receive a refund less an amount for the number of days you have been on cover. Claims can continue to be made until the cancellation date.

How can HomeServe cancel

The Underwriter (or HomeServe acting on its behalf) may cancel your Policy in the following circumstances:

- 1 By giving you at least 7 days' notice in writing to the last address provided to us:
 - If you are seriously in breach of the terms of your Policy. Examples of a serious breach include: failure to make a payment despite contact from us, or where we reasonably suspect you have submitted a fraudulent Claim
 - If you or persons associated with your Property/Policy display unreasonable behaviour towards us, including but not limited to abusive, discriminatory, offensive and/or threatening language or action
 - If you fail to provide accurate and complete information in accordance with the Consumer Insurance (Disclosure and Representations) Act 2012 - please see Your responsibility to provide correct information later in this document
- 2 In any circumstances stated in the "Insurance Cover" section
- 3 If the Boiler Health Check has not been booked or completed within the first 90 days of the Policy start date or the date you change address. If you only have cover for your Boiler/Heating System we will provide

a refund. If your Policy provides cover for more than just your Boiler, we may choose to allow you to continue your Policy, but with cover for the Boiler removed.

You may have several policies administered through HomeServe. In the future we may wish to consolidate these separate policies into one Policy. This will not affect your cover or your Premiums. In such circumstances we reserve the right to cancel one or more of your existing policies and to transfer you to the new policy. If you do not agree to this please let HomeServe know (see the Contact Us section for how)
